
Business News – Extension to the Coronavirus Business Interruption Loan Scheme (CBILS)

If you are a business in Wolverhampton and are looking to make a grant application, please contact the Business Support line on 01902 290242 with your business rates account number. Your account number is crucial for the application. The phone line is available between 9am and 5pm from Monday to Thursday or from 9am to 4.30pm on Fridays.

Alternatively, please email business.rates@wolverhampton.gov.uk with a contact telephone number. To help us prioritise your enquiry please make the subject "BUSINESS RATES GRANT 2020. LETTER REQUEST"

To help process the application please include:

- Business rates account reference number
- The rateable value of the business property
- Your full name and home address
- The full business property address, including postcode

There are exceptionally high demands on the service at present, please bear with us during this time.
