

University of Wolverhampton Science Park Tenant Information Bulletin

Nigel's Science Park Update

7th April 2022

Dear Tenant,

The Prime Minister recently announced that all remaining Covid-19 restrictions were going to come to an end as part of the Government's 'living with COVID' plan; the current Government guidelines can be found [here](#).

Whilst we welcome the lifting of these restrictions, the well-being of all users of the Science Park remains a key priority and we will continue to focus on keeping the Science Park a safe place to work.

It is also no longer a legal requirement to self-isolate following a positive test, but in consideration of the well-being of all users of the Science Park, it is important for anyone experiencing symptoms or who tests positive to follow Government advice by staying at home and avoiding contact with other people for at least five full days; in some cases, this should be extended to 10 days – please see: [People with symptoms of a respiratory infection including COVID-19 - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19). Please continue to report any positive cases where staff members have been on-site, or in contact with other employees prior to testing positive – this can be done via the link [here](#).

Although social distancing measures are no longer in force by the Government, we still strongly recommend that face-coverings are worn when moving around communal areas, to help to reduce the potential spread of the current virus variant - these areas include receptions, corridors, stairwells, and catering outlets; hand sanitising dispensers will continue to be available at key points around all buildings. All previous operational measures referred to in our social distancing guidelines are now lifted.

We will continue to monitor Government guidelines and inform you of any adjustments that are needed to maintain safety measures.

If anyone has any concerns or questions, please contact the Facilities Hub - facilitieshub@wolverhamptonsp.co.uk 01902 321253

Thank you for your continued support and cooperation.

A handwritten signature in blue ink, appearing to be 'Nigel'.
